

# Popular Annual Financial Report

for the fiscal year ending September 30, 2014

# MESSAGE FROM

Assistant Town Manager / CFO  
Steven Glickman

Dear Reader,

The Town of Trophy Club is proud to present the Popular Annual Financial Report (PAFR) for the Fiscal Year ended September 30, 2014. The PAFR provides residents, businesses and visitors an overview of the Town's financial activity in a simplified, easily digestible format. The citizen-friendly financial report is designed to further engage the Trophy Club community with their local government, and deliver information that furthers financial transparency and accountability.

Throughout the duration of the year, the Finance Department works on the budget, the audit, financial reporting, financial policies, financial forecasting and financial management with the mission:

*"To provide the highest quality financial management, support, fiduciary oversight, and public accountability to the citizens and community of Trophy Club and its designated officials. The Finance Department endeavors to promote the Town's mission by creating strong partnerships and encouraging community involvement, as well as enhancing the Town's financial and operational stewardship."*

The financial information contained within this report is taken from the independently audited financial statements that are a part of the Town of Trophy Club's 2014 Comprehensive Annual Financial Report (CAFR), which is prepared in accordance with the Generally Accepted Accounting Principles (GAAP) and is audited by an independent firm of Certified Public Accountants, Weaver LLP of Dallas. The CAFR contains additional detail and extensive information, such as the audited financial statements, notes, schedules, and other relevant information.

If you have any questions regarding the PAFR, please contact the Town of Trophy Club Finance Department at 682-831-4607 or email us at [sglickman@trophyclub.org](mailto:sglickman@trophyclub.org).

Sincerely,

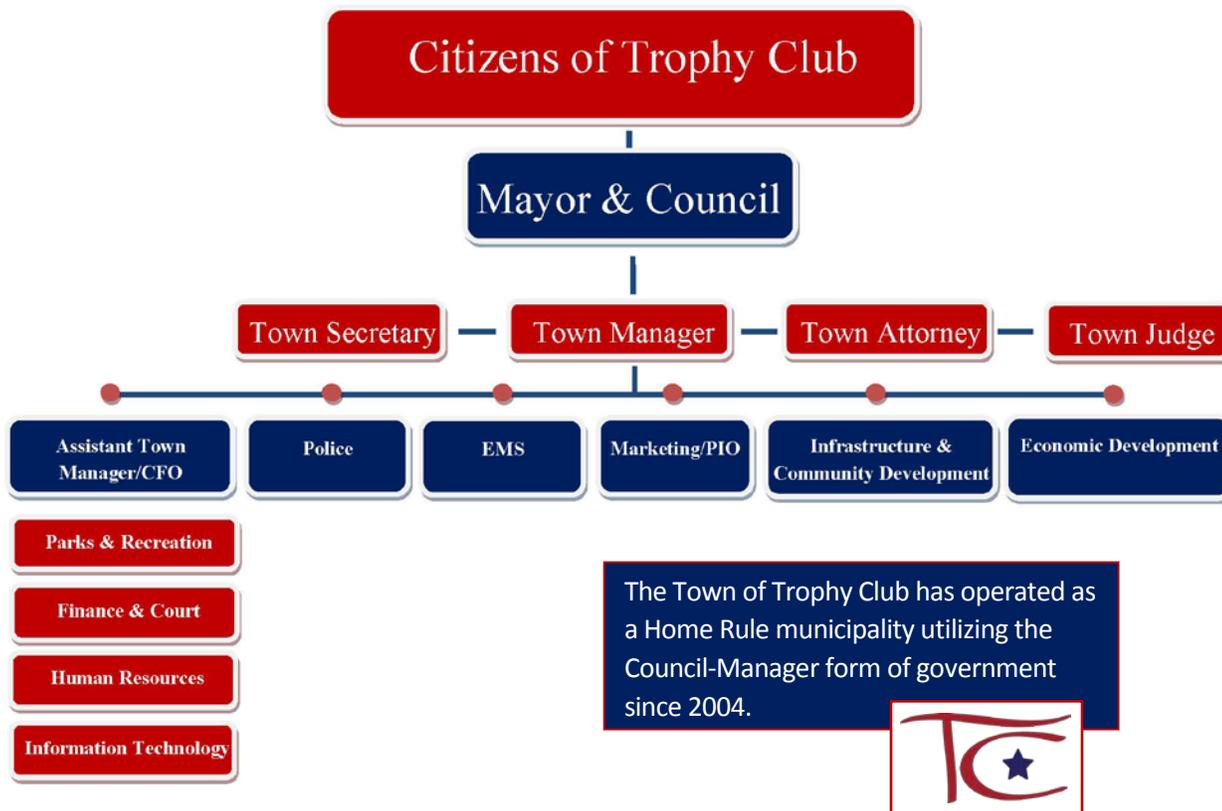

Steven Glickman  
Assistant Town Manager/Chief Financial Officer

# About the Town of Trophy Club

The Town of Trophy Club, Texas was incorporated in 1985 as Texas' first master planned community. Conveniently located in North Texas, this area has proven to be one of the fastest growing regions in Texas and the United States. Initially developed as a luxury living community for corporate professionals looking to escape urban city life, Trophy Club

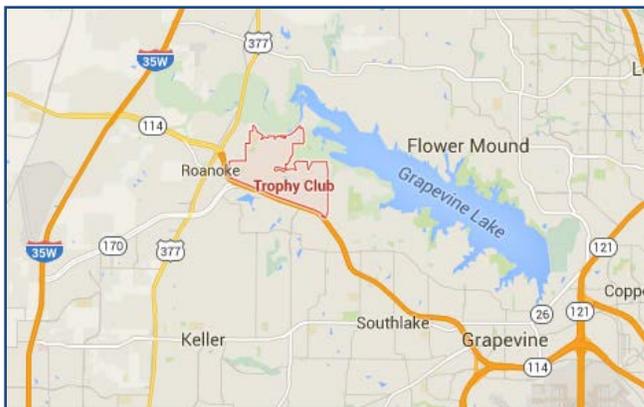

has grown to become a premier, close-knit, neighborhood-oriented township with amenities for everyone. From young families to retirees, Trophy Club offers something for everyone!

Trophy Club has one of the lowest crime rates in DFW and provides superior emergency management services. The award-winning Northwest Independent School District governs several exemplary schools in town, including Samuel Beck and Lakeview Elementary Schools, Medlin Middle School and the acclaimed Byron Nelson High School.

Trophy Club has operated as a Home Rule municipality utilizing a Council-Manager form of government since 2004. Policy-making and legislative authority are vested in the Town Council consisting of the Mayor and six Council Members. The Town Council is responsible for establishing policy, passing ordinances and resolutions, adopting the budget, appointing board, commission and committee members, and hiring the Town Manager, Town Attorney, and Town Secretary. The Town Council is elected on a community-wide, non-partisan basis.

The Town Manager is responsible for carrying out the policies and ordinances established by the Town Council and overseeing the day-to-day operations of the Town government. The Town of Trophy Club provides a full range of municipal services, including public safety (police and EMS), streets, parks and recreation, planning and zoning, code enforcement, inspections and drainage utilities. Water/wastewater and fire protection services are provided through the Trophy Club Municipal Utility District No. 1.

Trophy Club's location within the DFW Metroplex is ideal for both businesses and residents, many of whom commute to Dallas, Denton, Las Colinas, and Fort Worth. Trophy Club maintains a small-town ambiance while having the advantages of nearby metro areas, and offers an outstanding quality of life with world-class recreational amenities. Two 18-hole golf courses anchor the community, including the only course designed by world renowned champion golfer Ben Hogan.

## Strategy Map

### MISSION

*To maintain Trophy Club's standing as a Premier Residential Community and a "Great Place to Call Home" by protecting and promoting the interests of its Residents, Businesses, and Property Owners.*

### RESPONSIBILITIES

*To support our Mission, we are tasked with the following areas of primary Responsibility:*

- Exceeding high standards for public safety and low crime rates.
- Maintaining and improving street and storm drainage infrastructure.
- Fostering a business-friendly environment.
- Collaborating with Trophy Club MUD #1 and other governmental entities.
- Maintaining Town assets, services, and codes of ordinance that preserve the natural beauty of Trophy Club.
- Improving the aesthetic and recreational value of the Town.

### PRINCIPLES

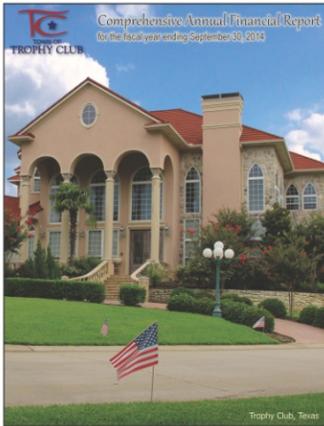

*We pledge to carry out our Responsibilities operating under the following Principles:*

- Operating a limited government with maximum transparency.
- Exercising fiscal discipline and taking a business-like approach to Town operations and budget prioritization.
- Remaining accountable and responsive to residents, businesses, and property owners, with emphasis on proactive communication and problem solving.
- Taking deliberate, targeted action resulting from thoughtful analysis, weighing costs and benefits in all situations.
- Conducting ourselves as leaders, following the highest ethical standards, with humility before residents.

# Award Winning Reporting

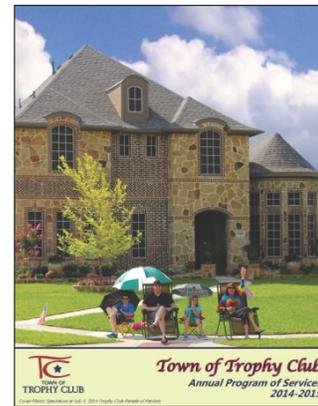

## Certificate of Achievement for Excellence in Financial Reporting

The Town has earned the Certificate of Achievement for Excellence in Financial Reporting for the Comprehensive Annual Financial Report (CAFR) from the Government Finance Officers Association for four consecutive years. The Certificate of Achievement is the highest form of recognition in the area of governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management. The CAFR is compiled by the finance department and audited by an independent firm of Certified Public Accountants. The purpose of the CAFR is to give a detailed overview of the Town's financial status, including various funds, investments, and debt service obligations.

## Distinguished Budget Presentation Award

The Town has earned the Distinguished Budget Presentation Award from the Government Finance Officers Association for the fifth consecutive year. The recognition reflects the commitment of the Town's staff to meet the highest principles of governmental budgeting and represents a significant achievement by the Town. The Budget presents the plan for accomplishing the Town's goals and objectives during the fiscal year. Preparation of this document requires a comparison of the anticipated revenues with adopted programs and needs based on Town Council's priorities, service demands, and prior year project commitments.

Texas Comptroller  
Leadership Circle  
Platinum Member

## Texas Comptroller Leadership Circle

The Texas Comptroller's office has named Trophy Club as one of only 39 municipalities in Texas to achieve their new Platinum award for financial transparency in the Texas Comptroller Leadership Circle. The Platinum designation was implemented in 2014 and spotlights entities that go above and beyond regarding financial transparency. The award recognizes local governments across Texas that implement a high level of online financial transparency by providing taxpayers with a detailed view of government spending in a user-friendly format.

## Discover Trophy Club Magazine

The 2015-2016 *Discover Trophy Club* Magazine contains news, information, and resources for anyone interested in learning more about the Trophy Club community. Delivered to households in Trophy Club, the magazine is utilized as a marketing tool and is available at Municipal offices. We hope you enjoy reading and learning about the beautiful Trophy Club community!

# Financial Highlights

The Town, like other state and local governments, utilizes fund accounting to ensure and demonstrate compliance with finance-related legal requirements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Town of Trophy Club currently maintains **fifteen individual funds** including the General Fund, the Debt Services Fund, the Grants Fund and the Capital Projects fund, just to name the four major funds. More information can be found in the Comprehensive Annual Financial Report on the Town’s website at [www.trophyclub.org](http://www.trophyclub.org).

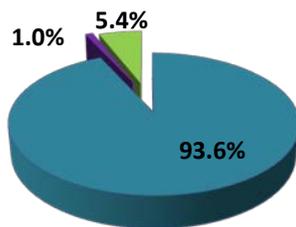

## Changes in Net Position

The Statement of Net Position presents information on all of the Town’s assets, liabilities and deferred inflows/outflows with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating. In total, **the Town’s total net position increased \$1,921** primarily as a result of the cumulative effect of a change in accounting principle that reduced net position in the amount of \$198,637 and ongoing revenues in excess of expenses of \$200,558.

## Total Net Position

The largest portion of the Town’s net position, **\$54,147,372 or 93.6%**, is in **capital assets** (land, buildings, infrastructure, equipment, and construction in progress). The Town uses these assets to provide services to its citizens; consequently, these assets are not available for future spending. Although the Town reports its capital assets net of related debt, the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities. A portion of the Town’s net position is **restricted resources of \$564,472 or 1.0%**, which are subject to external restrictions on how they may be used. The remaining balance of **unrestricted net position, \$3,114,686 or 5.4%** may be used to meet the government’s ongoing obligations to citizens and creditors.

The Town has one fund that is not included in the total Net Position, which is considered a Discretely Presented Component Unit: the Economic Development Corporation 4B (EDC 4B) Fund. The Town Council appoints the EDC 4B Board and can impose its will on the day to day operations. The FY2014 net position of EDC 4B was \$339,715, all of which is unrestricted. This is an increase of \$151,011 from last fiscal year.

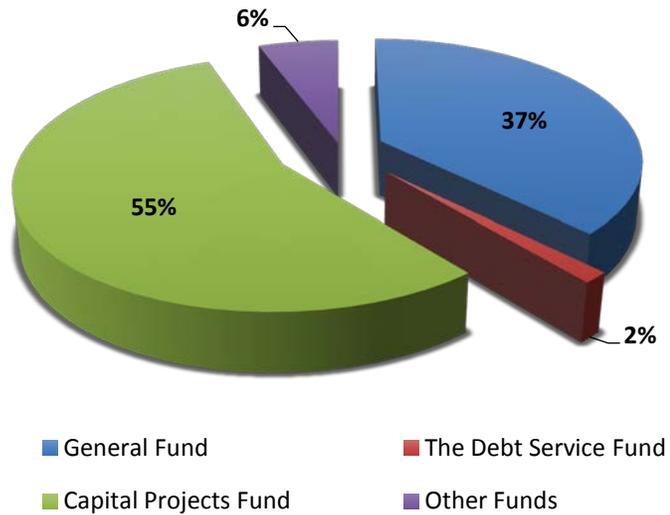

## Governmental Fund Balance

The focus of the Town’s governmental funds is to provide information on near-term inflows, outflows and balances of spendable resources. Such information is useful in assessing the Town’s financing requirements. In particular, the unassigned fund balance may serve as a useful measure of a government’s net resources available for spending at the end of the fiscal year. As of the end of the current fiscal year, the Town’s governmental funds reported a combined fund balance of **\$8,130,374**, which is an increase of **\$3,205,893 or 65.1%**.

The General Fund is the main operating fund of the Town. At the end of the current fiscal year, the fund balance of the General Fund was \$3,045,021, of which \$2,816,087 was unassigned. The fund balance of the General Fund increased by \$514,627 during the fiscal year. The increase can be attributed to revenues in excess of expenditures and repayments of \$299,458 from the Economic Development Corporations. The Debt Service Fund, which are funds restricted for the payment of debt obligations, experienced a decrease of \$1,630 in fund balance. The Capital Projects Fund experienced an increase in fund balance of \$2,439,364, which is due to the issuance of \$2,500,000 in certificates of obligation and \$600,000 in tax notes.

### Total Governmental Fund Balance

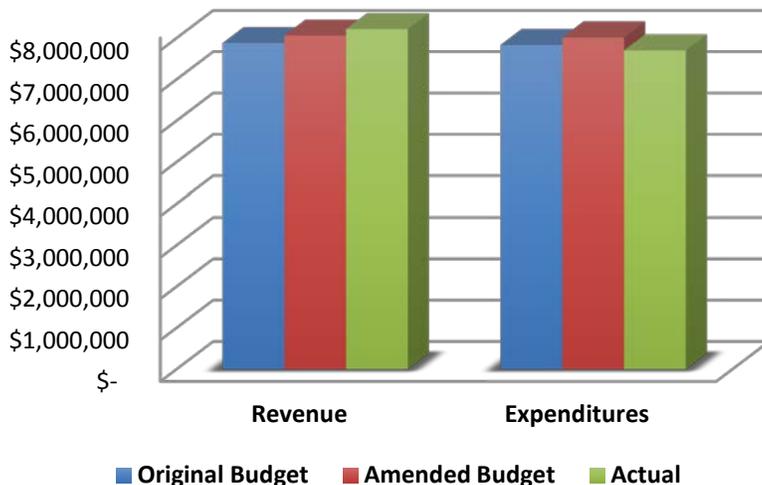

### General Fund Budgetary Highlights

FY14 actual expenditures of \$7.6 million were \$326 thousand less than budgeted. Actual revenues of \$8.2 million were \$157 thousand greater than budgeted, primarily due to intergovernmental revenues being \$174 thousand greater than budgeted. Significant variances between budgeted and actual revenues included: intergovernmental revenue was \$174,225 over budget; franchise taxes were \$42,751 over budget; licenses and permits were \$40,109 under budget; revenues from charges for services were \$46,061 over budget; miscellaneous revenue was \$10,546 over budget; and grant revenue was \$18,126 under budget. Overall, in the general fund, actual revenues exceeded final budgeted amounts by \$156,953.

Overall expenditures were below the budgeted amount by \$311,938 in fiscal year 2014. The Police Department exceeded its budget by \$24,999, primarily due to personnel expenditures. The Parks Department exceeded the budgeted amount by \$8,608 due to increased water usage, property maintenance, and storage rentals. The Community Development Department was \$70,605 under budget due to position vacancies during the fiscal year. The Recreation Department had a positive budget variance of \$67,565 due to decreased water usage, a change in the pool chemical vendor, and personnel savings.
